PROFILE

IT Support Associate with hands-on experience in Microsoft 365 administration, Active Directory, and technical troubleshooting across hardware, software, and network environments. Skilled in resolving system issues, managing user access, and supporting enterprise tools including Azure, Intune, and Exchange. Background in digital transformation using PowerApps. Strong analytical mindset with a focus on delivering efficient, reliable IT services and continuous improvement.

PROFESSIONAL EXPERIENCE

Ali Zaid Al-Quraishi & Brothers, IT support associate Oct 2024 – Present

- Managed user accounts, permissions, and group memberships through **Active Directory, Microsoft Entra ID (Azure AD), and Microsoft 365 Admin Center**.
- Provided technical support for **software-related issues**, including application installation, configuration, troubleshooting, and Microsoft 365 support.
- Performed **hardware installation and maintenance**, including RAM upgrades, touchpad replacement, hard drive replacement and data migration, and diagnosis of desktop and laptop hardware issues.
- Monitored and investigated **Taegis security alerts** as a first-level analyst, validating incidents and escalating confirmed threats to the appropriate teams.
- Created, restructured, and maintained **SharePoint** sites, libraries, navigation menus, and user permissions in collaboration with the Software Development team.
- Documented troubleshooting procedures, technical solutions, and knowledge base articles to improve support efficiency.

SRACO Jun 2024 – Aug 2024

Identified and crafted cybersecurity solutions tailored to meet the requirements of various tenders. Collaborated with stakeholders to ensure solutions addressed client needs effectively.

Deanship of Scientific Research (Intern) Mar 2023 – Jun 2023

Imam Abdulrahman Bin Faisal
University

- Designed and developed digital forms using **Microsoft PowerApps and SharePoint**, replacing paper-based processes and improving operational efficiency.
